Join us for an Almond Accelerando as we tour the spectacular orchards of California's central valley in full bloom. Ride for the Music the week prior to Ripon's Annual Almond Blossom Festival. Music First is a collation of business leaders, parents, educators, clergy, health care professionals and musicians who are laboring to bring classical and jazz music to young children, seniors and the mentally handicapped. You know the difference that music makes in your life. Show how much you believe in its importance—for yourself, for our schoolchildren and for our community.
